**IMPORTANT:**

Fabric Cover and Liner are treated with a water repellent coating. Rinse with cool water to clean as needed. Do not use detergents or machine wash/dry.

Sand and sand toys are not included. You can purchase sand separately from most home improvement and hardware stores, or have it delivered from many local garden centers/landscape supply companies. We suggest approximately 850 pounds of sand (based on dry sand weight of 1.5 ton/cubic meter). Adjust up/down as needed to the depth you prefer.
